In re Application of :
Jeffrey et al. : DECISION ON PETITION
Application Number: 08/872,078 :
Filing Date: 06/10/1997 :
Attorney Docket Number: P/54265 :

This is a decision in reference to the "PETITION TO WITHDRAW
HOLDING OF ABANDONMENT UNDER 37 C.F.R. § 1.181," filed on October
3, 2008.

The petition is **DISMISSED**.

This application was held abandoned for failure to timely submit
the issue fee in response to the Notice of Allowance and Issue
Fee Due mailed on August 13, 2001, which set a two (2) month
shortened period for reply. On May 6, 2002, Notice of
Abandonment was mailed.

Petitioner asserts that the Notice of Allowance and Issue Fee Due
was never received. Specifically, petitioner asserts that both
the Notice of Allowance and Issue Fee Due and the Notice of
Allowance were both mailed to an incorrect address.

A review of the record reveals the following:

1. On June 10, 1997, the application was filed as a File Wrapper
Continuation Under Rule 1.62 of prior-filed application No.
08/400,140, filed on March 6, 1995. The correspondence address
listed in the transmittal letter is:

Kirschstein, Ottinger, Israel & Schiffmiller, P.C.
551 Fifth Avenue
New York NY 10176-0024

2. On August 13, 2001, the Notice of Allowance and Issue Fee Due
was mailed to:

James Dean Johnson
Jones 6 Askew
191 Peachtree Street, NE
37th Floor
Atlanta GA 30303-1769

3. On May 6, 2002, the Notice of Abandonment was mailed to:

John S. Pratt, Esq.
Kilpatrick Stockton, LLP
1100 Peachtree Street
Suite 2800
Atlanta GA 30309

4. On August 7, 2008, a change of correspondence address was filed.

5. On October 3, 2008, the subject petition was filed.

It is noted that the file wrapper for the subject application lists the address to which the Notice of Allowance and Issue Fee Due was mailed as the correspondence address.

The petition must be dismissed at this time because the extended period between the filing of the application on June 10, 1997, the mailing of the Notice to Allowance and Issue Fee Due mailed on August 13, 2001, the Notice of Abandonment mailed On May 6, 2002, and the filing of the subject petition on October 3, 2008, obligates the Office to inquire into the reasons for the delay.

MPEP 203.08, states, in pertinent part that in the event that a six month period has elapsed, and no response from the Office is received, applicant should inquire as to the status of the application to avoid potential abandonment. A stamped postcard receipt for replies to Office actions, adequately and specifically identifying the papers filed, will be considered prima facie proof of receipt of such papers. See MPEP § 503. Where such proof indicates the timely filing of a reply, the submission of a copy of the postcard with a copy of the reply will ordinarily obviate the need for a petition to revive. Proof of receipt of a timely reply to a final action will obviate the need for a petition to revive only if the reply was in compliance with 37 CFR 1.113.

Accordingly, the Office is requesting additional information regarding the delay between the filing of the subject application on June 10, 1997, the mailing of the Notice of Allowance and

Issue Fee Due mailed on August 13, 2001, the mailing of the Notice of Abandonment on May 6, 2002, and the filing of the subject petition on October 3, 2008. Any renewed petition must be accompanied by affidavits or declarations of facts by all persons having first-hand knowledge of the circumstances surrounding the delay, setting forth the facts as they know them. Petitioner may also wish to submit any docket reports or other contemporaneous documentation which would establish a showing of diligence throughout the period described above.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from the mail date of this decision. **This period may not be extended.**¹
